

HELP US BUILD 10 HOMES IN CULVER CITY!

"I don't believe we are saved by how many houses we build, or how many poor people we feed. We are saved by the blood of Jesus Christ alone. Our response to that is what is important."

- Millard Fuller,
Founder, Habitat for Humanity

For 25 years, Habitat for Humanity of Greater Los Angeles (Habitat LA) and Presbytery of the Pacific have come together to demonstrate the love and teachings of Jesus Christ by striving to provide decent, sustainable and affordable homes for hardworking, low-income families and individuals in greater Los Angeles and around the world. We are thrilled to be coming together to build 10 more homes for 10 more families right in the heart of the Presbytery's service area in Culver City.

**Location: 4044 Globe Avenue,
Culver City**

You can help by:

- Praying for the home, future homeowners and all who will help build it.
- Helping raise \$150,000 (10% of the total cost to build the homes).
- Recruiting congregants to help build the home.
- Educating your congregation about the need for affordable housing in Los Angeles and around the world.
- Assisting with special events on site throughout the build process.
