

## Our mission

Habitat for Humanity of Greater Los Angeles builds and renovates homes in partnership with God and people everywhere with a goal of eliminating substandard housing by making decent, affordable housing a matter of conscience and action in our communities.

# ReStore

The ReStore was established to provide a self-sustaining funding source for Habitat for Humanity of Greater Los Angeles (HFH GLA) and to provide our local communities with low-cost building and home improvement materials.

## Donations

- The ReStore accepts new, used, discontinued, or surplus building materials, appliances and home furnishings from companies, contractors, retailers, film and television studios and individuals.
- The ReStore sells donated items at drastically-reduced prices to the general public. All proceeds support Habitat's commitment to building and renovating homes in partnership with low-income, hardworking families and individuals in greater Los Angeles.
- Trucks are sent out Monday – Saturday to pick-up items all over Los Angeles.

*Please contact a Donations Coordinator to arrange a pick-up of your donation by calling 424-246-3637 or EMail: [Restore@habitatla.org](mailto:Restore@habitatla.org).*

*All donations are tax-deductible. Pick-up service is FREE, with a \$5 fuel surcharge.*
